Newsletter: Term 2 Week 10

June 20th, 2024

From the Principal—Tom Mangan

A **reminder**—this is the last newsletter for this term.

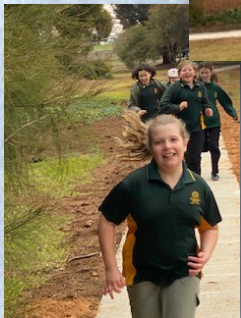

Running Track

Last week our running track was completed, this week our students have been able to enjoy riding their scooters, bikes or just running and walking along our great new surface. We will be having a "Grand Opening" on the 17th July at 10.00am, followed by morning tea for those interested.

A massive thank you to Oz Concreting and Bobcat Works for their speedy and professional work. We are all thrilled with the results.

This project was made possible through the Active Schools grant that we were successful in receiving again this year.

2024 TERM DATES

TERM 1
Tuesday 30th January—
Thursday 28th March

TERM 2
Monday 15th April—
Friday 28th June

TERM 3
Monday 15th July—
Friday 20th September

TERM 4
Monday 7th October—
Friday 20th December

Winter Sports

Monday saw our 3-6 students join with our other cluster schools to enjoy participating in their choice of winter sports. Our P-2 students were lucky to join with Colbinabbin PS P-2 students and enjoyed some activities.

From all accounts it was another great Cluster day and we look forward to our next days including Athletics, Science Day, Summer Sports as well as our Gr 3/4 and 5/6 camps.

NEPS NIPPERS

Our NEPS Nippers program has started for any prospective Prep students for 2025. This was a great success last year allowing our students to hit the ground running at the start of the year. Our prep students were able to settle into their learning environment confidently having experienced the space as well as built relationships with peers.

Any families interested in seeing what our school can offer your child and family, please get in contact with me (Tom Mangan, Principal), to book in on 5484 5395 or 0408 403 884.

School Hours

8:50am to 3:20pm.

Staff are on yard duty from
8:35am until **3:35pm**.

Parents should contact the school to discuss alternative arrangements if needed.

Numeracy PD

Monday and Tuesday I was involved in a Local Leaders Numeracy Professional Development. This was 2 great days connecting with other local leaders with discussions and research around best practice for numeracy teaching. I look forward to implementing a new approach with our school moving ahead.

PTS Interviews

A reminder these valuable interviews are scheduled for the last week of term. This is a great opportunity to hear about your students progress as well as the future goals we will be focusing on for the remainder of the year.

Reports

Reports will go live on uEducateUs on Thursday 27th of June at 3pm. We will print reports if requested otherwise families can click on the report tab within uEducateUs to view or download these at anytime.

Wood/Fire Pit Raffle

Don't forget to sell those thickets.

If you need more books we can send some home with your child.

The return date for everything is **Tuesday 25th June** and the two winning tickets will be drawn on Thursday 27th June.

Good luck everyone.

End of Term

End of Term is Friday 28th of June, we will still head into Rochester PS for the day with an early finish time of 2:20pm back at school.

MARC Library Information Term 2

Library, the Prep, 1 and 2's this term learnt about whales and read Matt Cosgrove books (Macca the Alpaca). We have drawn, cut and pasted, made maracas and a mini Macca with a beanie. We have listened to and enjoyed different poems and limericks. We have learnt about parts of a book – front/back cover, spine, barcode, author, illustrator. The grade 1 and 2's, have used Orbit, the online library system to find new books, search for books by author, title, series and word.

In Library, the Grade 3,4,5 and 6's this term, have been reading books based on true stories. They have learnt about whales being beached at Busselton W.A. and the Busselton Jetty being the longest timber jetty in the Southern Hemisphere, Cathy Freeman and running against her Olympic time of 49.13 seconds for the 400 metres, the journey of a violin during the war, a child stowaway on a ship many years ago, native stingless bees, Louis Braille – how he invented the six dot Braille reading system, two women setting records 96 years ago driving a car across Australia, when women were usually at home, not driving cars and bar-tailed godwit birds making the longest unbroken journey of any animal in the world. We have used Orbit, the online library system to find new books, search for books by author, title, series, subject and word. We have listened to, performed and enjoyed different poems and limericks
